# ASPIRE Vision

*a community where people of all abilities live, learn, and grow together.*

Aspire serves more than 1,000 children and adults with developmental disabilities and their families in the Chicagoland area. From its inception over 50 years ago, Aspire has pushed the boundaries of what is possible for people with disabilities. Today, we continue to promote models of inclusion ahead of society's expectations. Through partnerships with companies such as Walgreens and OfficeMax, we are creating new, innovative enterprises that open up possibilities and support people with disabilities in achieving them.

Aspire Adult Services includes residential, employment, and life skills training enterprises that help adults achieve new levels of independence. Aspire Children's Services provides pediatric therapies, family support, and educational/inclusion services to help children with disabilities build a solid foundation for future independence.

## Aspire CareerLink

Aspire CareerLink emerged out of a partnership between OfficeMax and Aspire. Four years ago, the office supplies company reached out to Aspire to help build the infrastructure necessary to successfully employ people with disabilities.

Building on this foundation, the OfficeMax/Aspire team developed a real-world work experience to prepare adults with disabilities for high demand retail and distribution center careers. Many generous supporters such as Executive Construction Inc, tvsdesign, and their many partners helped to create an innovative training environment.

Actual OfficeMax warehouse and retail equipment are used so that candidates can become comfortable with both ends of the supply chain. Upon completion of training, candidates are prepared for positions with OfficeMax and other retail and distribution center employers. Marcia Gordon, Aspire's Vice President for Career and Life Enrichment, explains, "The potential for this program is extensive. Our intent is that the program will be used as a model for other OfficeMax locations and also for other industries beyond warehousing and retail to further integrate people with disabilities into the community and prepare them for meaningful careers. It's another avenue to fulfilling our mission, and we are fortunate to have a partner like OfficeMax to help us extend our reach even further into the community."

**As a not-for-profit organization, we rely heavily on the generous support of sponsors for our successful events. When you sponsor the Aspire Classic, you help us build innovative enterprises like Aspire CareerLink and Aspire CoffeeWorks that provide new opportunities for people with disabilities.**
